

Battery-Powered PPC-series

Digital Counting Bench Scale

- » Efficient Flexible Reliable
- » Multi function and high accuracy
- » Outstanding price performance

SNOWREX

SNOWREX

SNOWREX

Main Features:

- » High Precision Load Cell up to 1/30000 display resolution
- » Full digital calibration
- » Three LCD display with EL backlight
- » Full range tare Auto zero tracking
- » Low battery and charging status indication
- » Stainless steel platform
- » Power Saving Facility
- » Counting by sample or Unit weight setting
- » Accumulation memories & Quantity checking
- » Build in rechargeable battery

Option available:

- » EL Backlight
- » RS232 interface output

Specifications:

Model	PPC-30	PPC-75	PPC-150	PPC-300	PPC-30H	PPC-60H	PPC-150H	PPC-300H
Capacity	30Kg	75Kg	150Kg	300Kg	30Kg	60Kg	150Kg	300Kg
Readability	2g	5g	10g	20g	1g	2g	5g	10g
Resolution	0.2g	0.5g	1g	2g	0.1g	0.2g	0.5g	1g
Pan Size	350 X 450mm (A=380 X 500mm L=450 X 600mm as requested)							
Power	AC Adaptor 9V/500mA							
Net Weight	approx. 13kg (350 X 450mm)							
Environment	0° C-40° C(32° F-104° F)RH less than 85%
